**Subject:** Status of EPA Equipment from Shiloh Church

[Nonresponsive Based on revised scope]

Please advise me of the location of the EPA ERT Ludlum 44-10 2x2 meter.

According to my records John dropped off the following at the COOP on or about 7/1

Ludlum 3030 and sources  
Ludlum Model 12  
Ludlum 192  
Personal air monitoring pumps

The Ludlum 4410 belongs to ERT and not the COOP

Also please advise what happened to all the foil pans which were in site

Thank you  
Chris
